

## Dear Board of Storlokke Feriepark

I am formally writing back acknowledging the receipt of your email with the attached letters.

In the spirit of the communication and handling of opening for 2025, we had sent an email to all the homeowners of the park on 13<sup>th</sup> of November requesting them to reconfirm their stand. Even though you have mentioned 80 out of 83 houses have terminated their contract with us, we have been reached out by more homeowners expressing their willingness to discuss and continue the collaboration.

The best for all the parties involved would be that homeowners write to us individually at [bornholm@dancenter.com](mailto:bornholm@dancenter.com) and we shall oblige by immediately blocking the house for any bookings in 2025 and also proceed with shifting of any bookings which may have already come.

Your support would also be requested to nudge the homeowners to write to us individually who have not done so far so that we can close this discussion soon.

Many thanks,

**Ravi Baid**

## Kære bestyrelse i Storlørkke Feriepark

Jeg skriver hermed formelt tilbage for at bekræfte modtagelsen af jeres e-mail med de vedhæftede breve.

I tråd med kommunikationen og håndteringen af åbningen for 2025 sendte vi den 13. november en e-mail til alle husejere i parken for at bede dem genbekræfte deres stilling. Selvom I har nævnt, at 80 ud af 83 huse har opsagt deres kontrakt med os, har vi modtaget henvendelser fra flere husejere, der udtrykker deres vilje til at drøfte og fortsætte samarbejdet.

Det bedste for alle involverede parter ville være, at husejerne skriver direkte til os på **[bornholm@dancenter.com](mailto:bornholm@dancenter.com)**. Vi vil derefter straks blokere huset for bookinger i 2025 og samtidig tage hånd om at flytte eventuelle eksisterende bookinger.

Vi vil også sætte pris på jeres hjælp til at opfordre de husejere, der endnu ikke har skrevet til os, til at gøre det, så vi kan afslutte denne diskussion hurtigst muligt.

Mange tak,  
Ravi
